

Robotic Collision Sensor:

SR-48 Performance

Robotic Collision Sensor:

SR-61 Performance

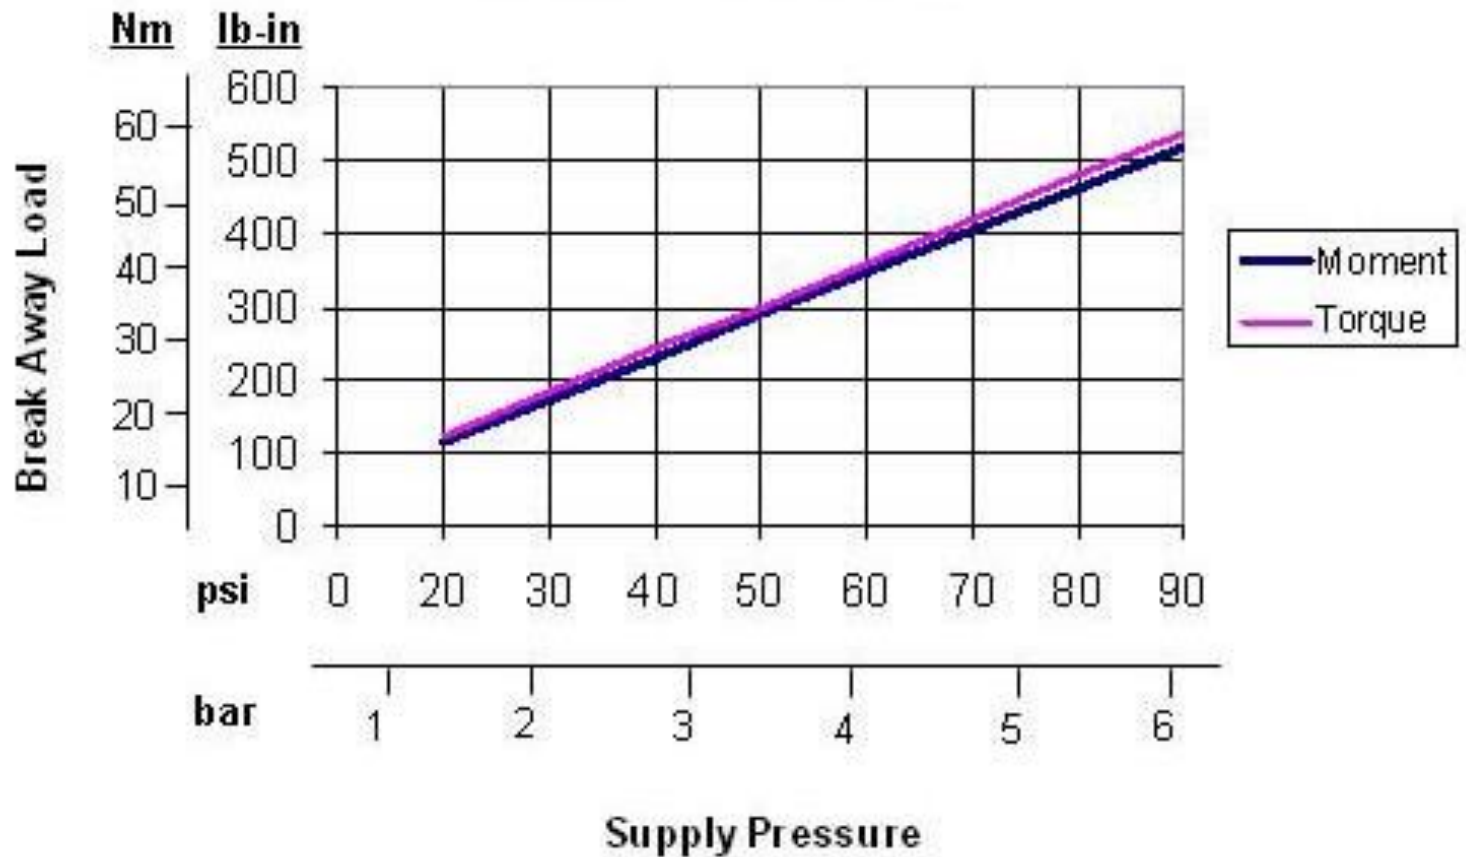

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-81 Performance

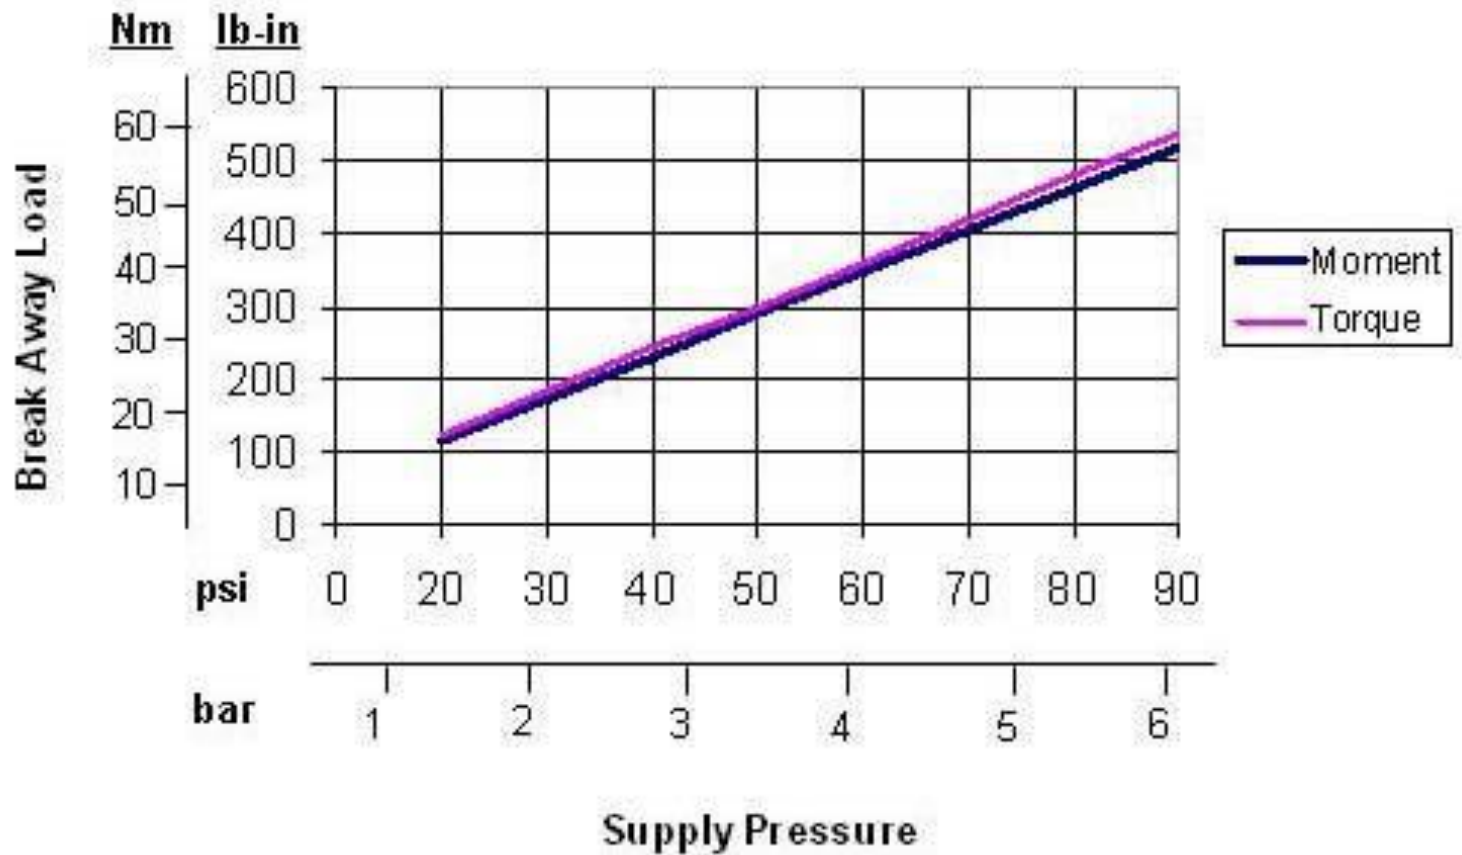

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-82 Performance

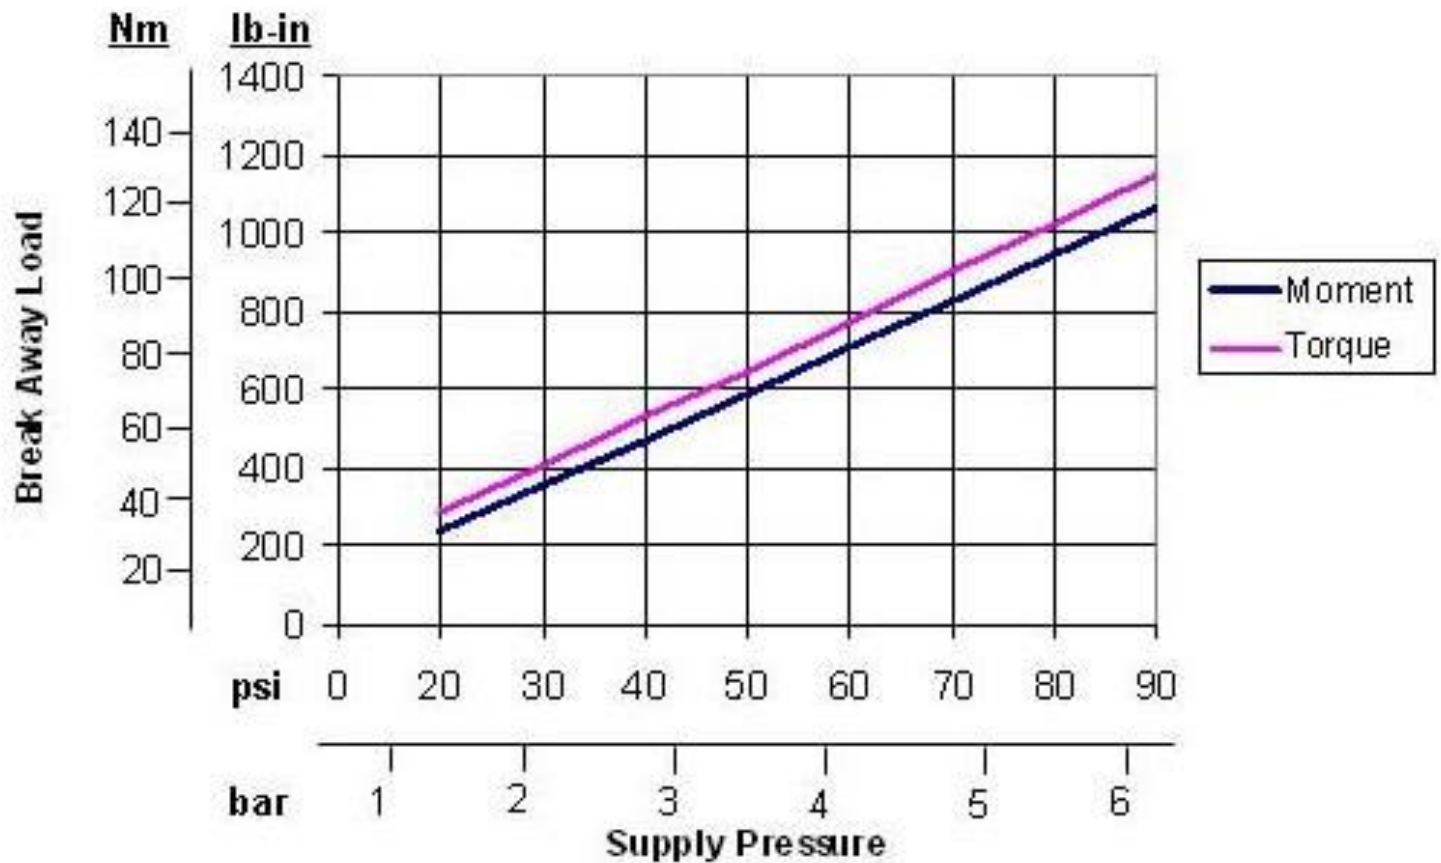

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-101 Performance

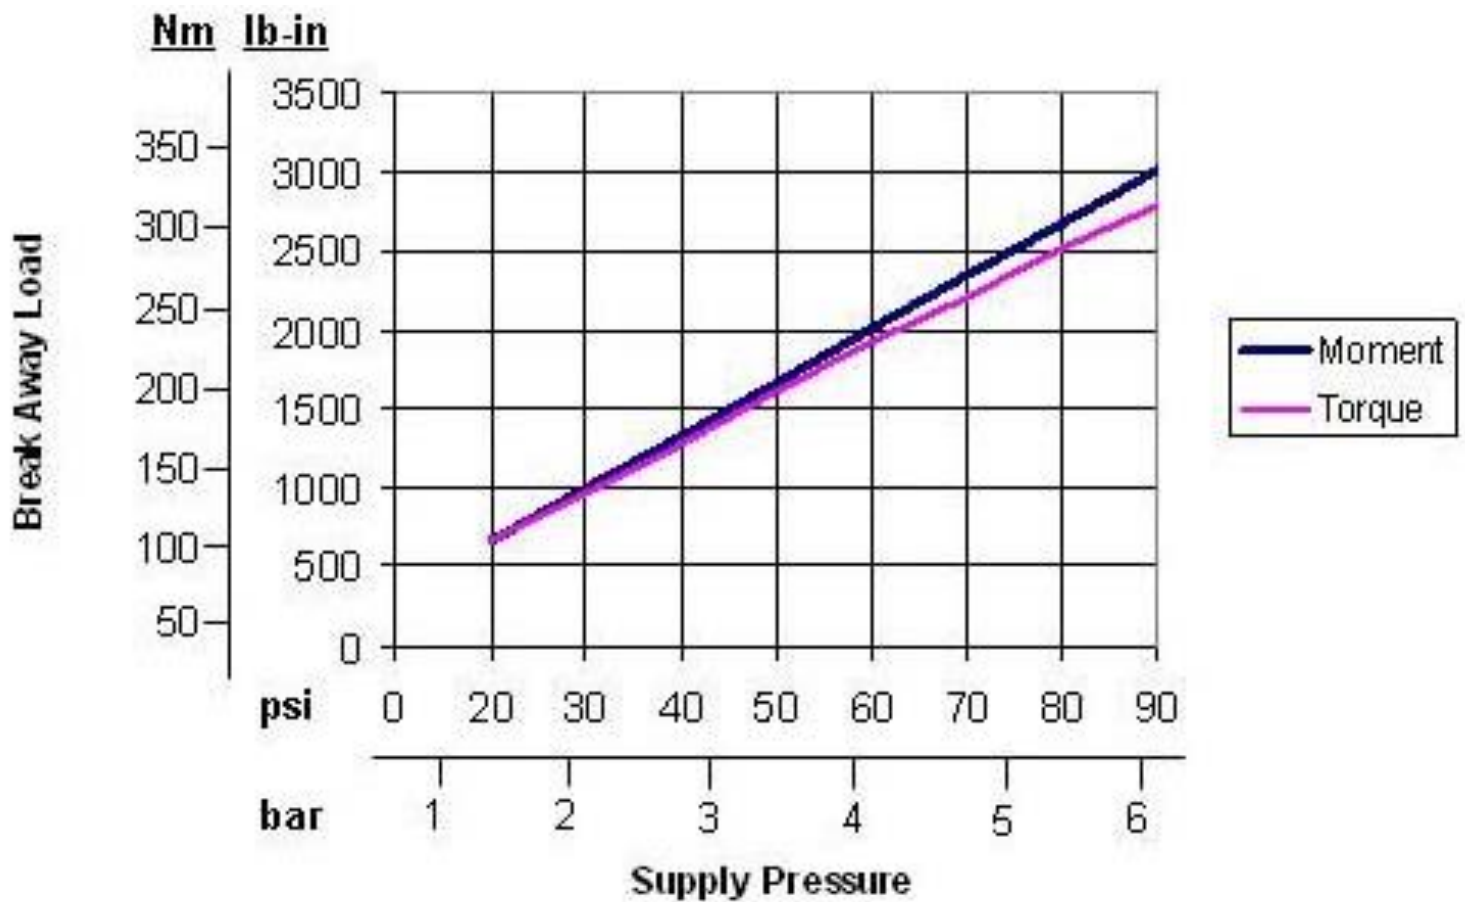

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-131 Performance

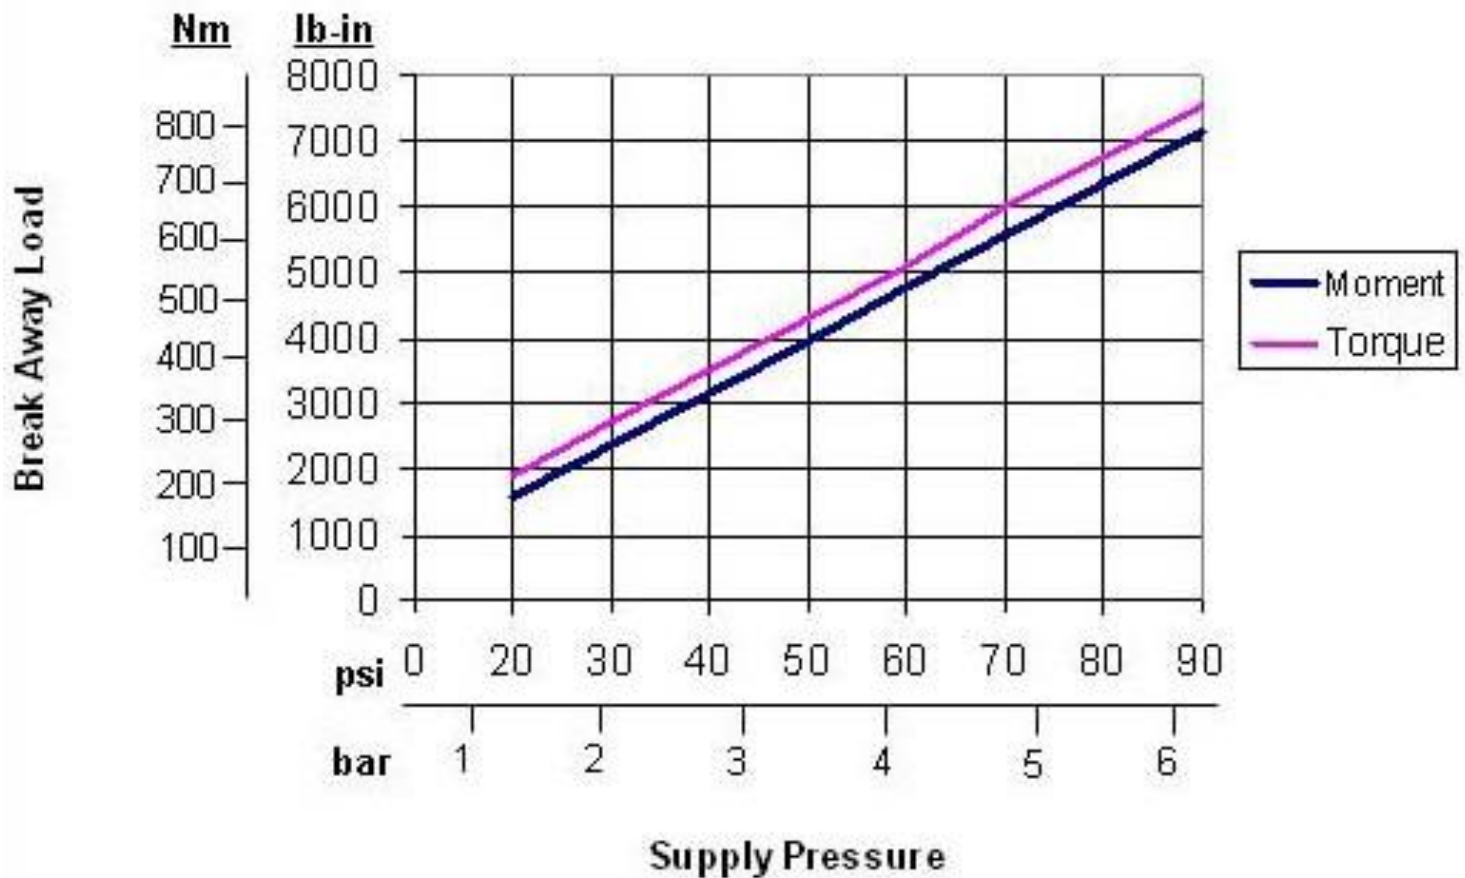

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-176 Performance

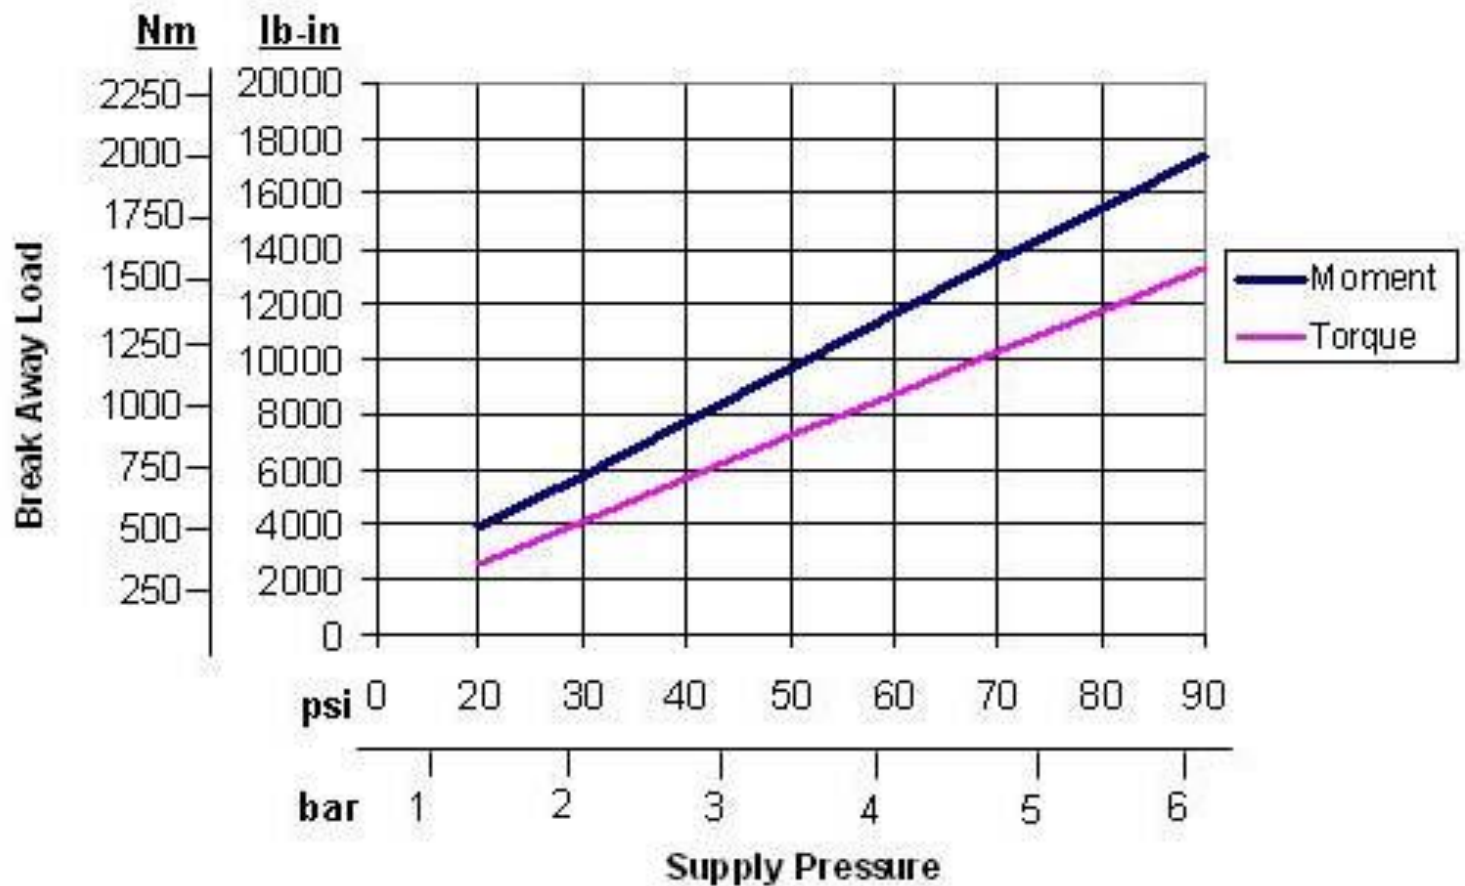

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.

Robotic Collision Sensor:

SR-221 Performance

NOTES:

Moment graphs based on point of switch opening at approximately 1 degree deflection.
