| <b>Product Model Number</b>         | 9120-X<br>9121-X<br>9128-X<br><i>(With X to indicate specific Tool Changer model, Tool Stand component, or electrical/fluid-air utility pass through modules. ATI control modules excluded from scope.)</i> |

ATI Industrial Automation, Inc., a business unit of Novanta Inc., hereby declares under our sole responsibility that the products listed above meet the following basic occupational health and safety requirements of the **Machinery Directive 2006/42/EC**:

**No. 1.1.1, No. 1.1.2, No. 1.1.3, No. 1.1.5, No. 1.2.6, No. 1.3.2, No. 1.3.3, No. 1.3.4, No. 1.5.3, No. 1.5.4, No. 1.5.6, No. 1.5.8, No. 1.6.1, No. 1.6.2, No. 1.7.1, No. 1.7.3, and No. 1.7.4**

and is in conformity with the applicable requirements of the following standard when installed and used following the product installation instructions:

|                            |                              |
|----------------------------|------------------------------|
| <b>EN ISO 10218-1:2025</b> | Robotics Safety Requirements |
|----------------------------|------------------------------|

The partly completed machinery may not be put into operation until it has been confirmed that the machine into which the partly completed machinery is to be installed complies with the provisions of the Machinery Directive (2006/42/EC). The declaration shall be rendered invalid if modifications are made to the product.

Signed for and on behalf of ATI Industrial Automation, Inc.,

01 March, 2026  
Chandra Ayalasomayajula

Vice President Engineering, Robotics and Automation | Novanta
